Welcome to Annick House, where we offer both a modern self contained studio and a guest wing/apartment five minutes walk from Nelson's shopping area and restaurants.

We look forward to giving you a memorable holiday in peaceful surroundings and homely atmosphere in our sunny and secluded haven. It's a great place to unwind, relax and share the great things you will discover and enjoy in the Nelson and Tasman regions.

Nelson is the Sunshine capital of New Zealand and is renowned for its fine wines and vineyards, artists' studios and craft outlets. Give yourself time to enjoy our beautiful clean beaches, fantastic National Parks and many other outdoor activities. Nelson is the favourite holiday destination for New Zealand families.

We offer a breakfast tray featuring local fruits in season, a selection of cereals, and locally produced jams. We deliver your tray in the evening, for you to enjoy at your leisure in the morning. We can provide dinner by arrangement.

Your hosts Ann and Nick James have lived in Nelson for many years. Ann's forefathers arrived here in the first immigrant ships in 1842, so we know the city and Nelson province very well and would be happy to assist in making your stay a memorable one. We have hosted many foreign students and are well travelled.

Nelson is the Sunshine capital of New Zealand.
