

Blackall Caravan Park

Come and see this wonderful Oasis in the Outback. Your hosts, Robert and Chris Parnaby can offer you a very comfortable and quite stay at their 3 Star park with ensuite cabins and units or grassy shaded drive through sites, camp sites, 2 amenities blocks, laundry, dump point, EFTPOS, pets on application, kiosk, and tourist information.

During the winter months approx May to August you can sample our famous Camp Oven Dinner cooked by Robert at the park six nights a week. The menu usually consists of homemade home made soup, two Roast Meats with baked vegetables followed by Damper with golden syrup and Billy tea. It's an opportunity to mingle with fellow travellers, listen to bush poetry at its best with Garry Lowe.

Only 3 minutes stroll from the centre of town and ten minutes walk from the very picturesque and rejuvenating hot artesian spa at the Blackall Aquatic Centre makes this park a must stopover for the weary traveller.

The next morning you can see the engineering achievements and determination of Australia's pioneers and visit the historic Blackall Wooolsour.

For the visitor it's a chance to discover the magic of steam at work and gain a fascinating insight into the way the wool-washing plant operated during its working life from 1908 to 1978.

Other places of interest, not to be missed in Blackall are the Jack Howe Statue of the world famous blade shearer and the original Black Stump, the original Astro Station established in 1887.

Come and visit Outback Queensland today, you wont be disappointed.

Cooktown Peninsula Caravan Park

See the bottle brush, wallabies and curlew

Bedford Gardens Caravan Park

Bedford Gardens Caravan Park, as the name suggests has many trees, shrubs and plants, selected for their colour, foliage and ability to survive times of drought.

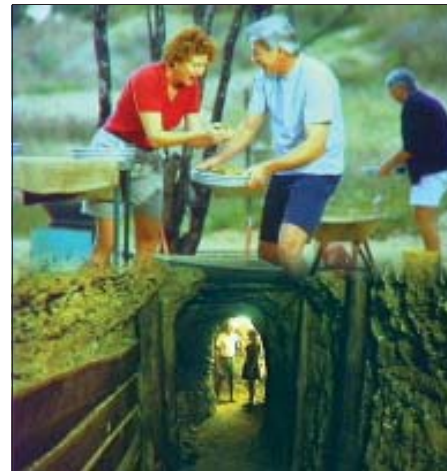

Now, after nearly 15 years, it is hard to believe that this park was once a spear grass paddock on the edge of the town of Rubyvale, which is the Hub of the Central Queensland Sapphire Fields. Known to many folk, Worldwide, these Gemfields yield blue, green, yellow and parti-coloured sapphires as well as champayne and sherry coloured zircons.

All the fossicking areas set aside by DNR-Mines for visitors are easily accessible in conventional vehicles. You can go to Reward, Middle Ridge, Washpool, Glen Alva or Graves Hill to try your luck. These require

a fossicking licence which is currently \$8.20 for a couple and \$5.80 for an Individual for one month. Fossicking gear is also available in Rubyvale, for a small charge.

Should you prefer to be less physical/adventurous, try a bucket of wash, (gravel) from a Fossicking Park, where you do not require a licence, and they have all the equipment set up for your use and at the price of one bucket \$7.00... good value, or you can join a tag-a-long tour. There is a day long Safari Sightseeing and Digging Tour. See and do everything in one day.

There are underground mines (no ladders), for guided tours and lots of shops to browse. Within 300m of Bedford Gardens there is a supermarket, newsagency, post office, hotel and cafes.
