DURRAS LAKE NORTH

Unspoilt coastal park accommodation
 Durras Lake North Holiday Park is one of those 'secret' south coast places you sometimes hear about.

It is no secret what you can do here though. Swim, fish, bushwalk, surf, coastwalk, relax, birdwatch ... whew!

Located in the heart of the Murrumbidgee National Park and Batemans Marine Park, Durras North is the perfect choice for your holiday. The pristine Durras Lake and Durras beach are just a short stroll away.

And just a pleasant 3.5 hour drive from Sydney.

Enjoy a relaxed holiday in a stunning natural environment, where kangaroos are guaranteed to be seen. In addition, there are our possums, parrots, lizards, bandicoots, marine life and the magnificent bush of the surrounding national park. Pebbly Beach is just a 10 minute drive away and Batemans Bay is 20 minutes.

Accommodation offered includes traditional 'retro' cottages, park cabins or camping in our "Durras Beach Camping Ground." We have tried to keep our park the way holidays used to be. Relaxed and friendly.

Our accommodation range includes camping grounds, powered and en-suite caravan sites, free standing lodges, bungalow cabins, on-site cabins and luxury villa style accommodation.

Forbes is famous for its connections with the bushranger Ben Hall. It is a substantial rural settlement of some 8500 people on the Lachlan River. It is 245 m above sea-level and 387 km west of Sydney on the

Newell Highway between West Wyalong and Parkes.

Forbes has some fine parks and gardens associated with a large lagoon known as Lake Forbes which bisects the town. The rural economy is based around a major sale yards complex, an abattoir, feed lots, beef and hay exports, wool, wheat, grain seed crops, oil seed crops, fruit and vegetables.

Children are well catered for with a well equipped playground and swimming pool. The bush land setting gives you room to move and enjoy the evening BBQ's in a quiet environment.
