

# Noosa Harbour Resort

From the moment you enter Noosa Harbour Resort you will discover the relaxed friendliness of a holiday oasis designed with you in mind. Set amidst tropical landscaped gardens on the white sandy foreshore of the Noosa River, the resort is an easy ten minute stroll to the cosmopolitan atmosphere of busy Hastings Street.

For your comfort, each fully self-contained airconditioned apartment has a modern kitchen, washer/dryer, television, dvd/video, in-dial phone system with internet connection, undercover security parking, weekly apartment servicing and on-site management. Noosa Harbour is your private tropical hideaway, where you can choose to simply laze by the pool or unwind on the secluded beach by the clear blue waters of the Noosa River.

Only a short walk to Noosa's surfing beaches, Noosa National Park and the mouth watering delights of Noosa's many famous restaurants, you can very conveniently return to the resort for a brief afternoon siesta or just in time to watch a glorious sunset or to sip cocktails on your private north facing balcony.
