We are situated on 25 acres on the Southern Darling Downs with beautiful views all round, towards Bony Mountain and the Granite Belt. We are approximately 3 km off the Warwick/Goondiwindi Hwy and 6 km from the CBD.

This is the place to come if you want peace and relaxation during your travels whether it be for that longed-for holiday, a short break or business. Wander round the garden and stretch your legs while taking in the views. Relax on the verandah in the late afternoon while the king parrots, red wings, finches and the odd brave eastern rosella feed at their seed bowls. They return at breakfast time too.

Visit Morgan Park Sports Complex with the Drag Races most weekends, the His-

toric Car Races, Carriage Driving competitions, Eventing and Polocrosse Events including the 2007 World Cup Championships we have enjoyed during the last week in April.

It was a marvellous time all round. We also have the newly opened QPWS Resources Reserve at Morgan Park which has walks through the native plants and huge selection of birdlife.

We will be able to tempt you to stay that bit longer so you can fit in all we have of interest in the area, while enjoying the luxury of others attending to your needs. Seniors card holders welcome.

If you are travelling with horses we have a paddock and yards available during your stay.
